Web Developer Intern

Craft Solution, Karachi

May 2024 – Aug 2024

- Assisted in front-end development using HTML, CSS, JavaScript, and Bootstrap.
- Worked on responsive design and UI enhancements for client websites.
- Gained experience with version control using Git and GitHub.

WordPress Developer (Internship)

IU University

Jan 2025 – Apr 2025

- Developed and customized WordPress websites as per university needs.
- Worked with plugins, themes, and responsive layouts.
- Collaborated with the design team to improve user experience and functionality.

- **During my internship** at IU University, I gained practical experience in WordPress development by building and customizing websites tailored to institutional needs. I worked on theme customization, plugin integration, and ensured mobile responsiveness. This role helped me strengthen my problem-solving skills and improved my understanding of modern web design trends and user experience.
